About Us

At Sunlight Christian Academy, we are committed to providing an education that builds on the blessings of a Christ-centered foundation. Since our inception, we have dedicated ourselves to nurturing young minds in a supportive, spiritual environment that honors their identity as God's creations. As we face rapid growth and prepare to expand our facilities, our mission remains steadfast: Sunlight Christian Academy shines the light of God's Word into learning for children who bear his image and have a place in his care. The "Rising Toward the Future" campaign is a call to our community to rise together, supporting a future where every student can thrive in grace and wisdom.

RISING TOWARD THE FUTURE

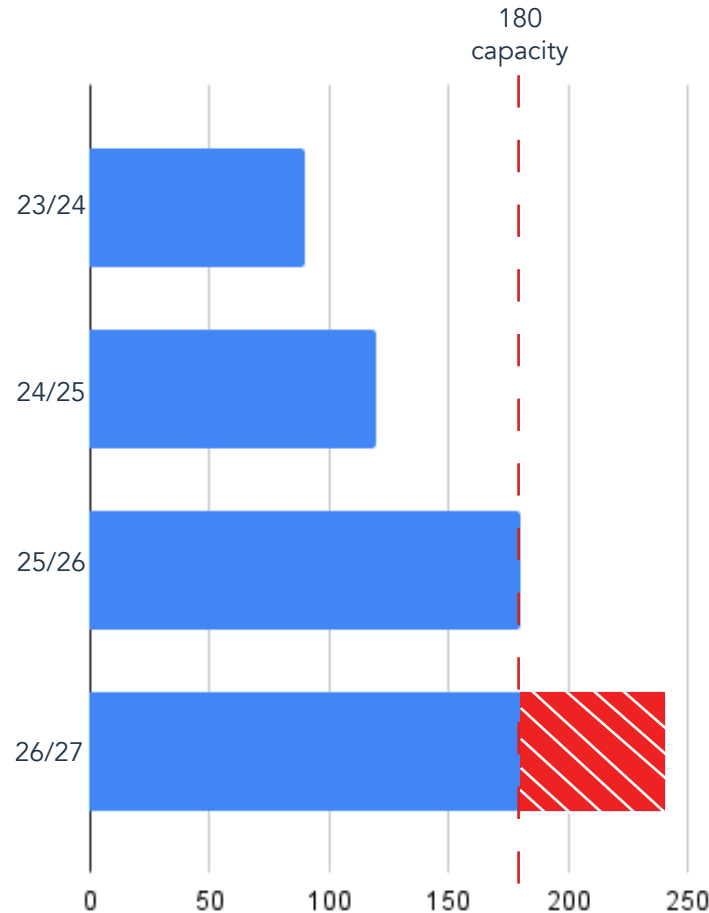

Building on God's blessings to shape
the next generation of Christian leaders.

THE CHALLENGE OF GROWTH

Sunlight Christian Academy's middle and high school at the PGA campus has experienced unprecedented growth. Starting with 80 students in the 2023/24 academic year, our enrollment surged to 120 students by 2024/25. We are on track to reach our full capacity of 180 students in the 2025/26 school year. However, projections show that by 2026/27, our student body will expand to 240 students—60 more than our current campus can accommodate. This rapid growth underscores the urgent need for us to plan for the future today.

MIDDLE & HIGH SCHOOL ENROLLMENT

Building on the Blessings

At Sunlight Christian Academy, we believe every child is created in the image of God, endowed with unique potential and purpose. In a world where values are constantly challenged, the importance of a distinctly Christian education has never been more critical. By investing in our expansion, we're not just funding a building—together, we're nurturing young minds, cultivating moral integrity, and reinforcing the teachings of Christ in the hearts of our students. Together we can help provide a space where they can grow, learn, and thrive.
